

COLD WEATHER CABLE TIES

Cold Weather Ties are designed to function in extreme environmental conditions. The Cold Weather Nylon 6/6 resin blend is specifically designed to solve cold temperature (-20C) and low humidity application issues.

- **Suitable for all weather applications**
- **Extended UV sunlight protection**
- **For installations temperatures down to -20C or -4F**
- **One tie for any environment**
- **Reinforced nylon 6/6**

**EXPERIENCE THE
